

VISITING GUIDELINES FOX LAKE CORRECTIONAL INSTITUTION

The Fox Lake Correctional Institution is located at W10237 Lake Emily Road. Lake Emily Road intersects with Hwy. A west of the institution and with Hwy. 68 to the east.

The mailing address is: PO Box 147;
Fox Lake, WI 53933-0147.

Please be sure to park in the designated area. Special parking spaces have been provided (marked by handicapped signs) for visitors who have a physical disability and provide license plates or state approved display cards that authorize handicapped parking.

VISIT ENTRANCE PROCEDURES

Fox Lake Correctional Institution is a tobacco free/drug free environment. Tobacco must be secured in your vehicle and **CANNOT** be locked in the lockers in the entrance facility. Visitors are required to comply with efforts to deter the entry of drugs, alcohol or weapons into the facility. Those who attempt to bring these items into the institution will be subject to restricted visiting privileges and referral to the Dodge County District Attorney for prosecution for a felony. Persons exhibiting signs of intoxication or under the influence of any other drug will not be allowed to enter the institution.

Any abuse of visiting privileges or non-compliance with the rules listed may result in suspension or termination of visiting privileges. Specific rules for visiting behavior are available from

the visiting officers and are also in the housing units.

Only visitors on the inmate's approved visiting list shall be permitted to visit the inmate. This includes adults, minors and infants. Only six adults are allowed per a single visit. Visitors will be hand stamped prior to entrance.

Visiting hours are as follows:

2:30 pm – 8:45 pm Mon-Friday

**8:00 am – 3:45 pm Sat/Sun/
Holidays**

NOTE: Visitors may not enter the entrance facility until 2:15 p.m. and are not to loiter outside the entrance facility prior to 2:15 p.m. Visitors are not allowed to leave after the following times until count clears: 12:30 p.m. and 5:30 p.m.

The visiting week begins on Monday and ends the following Sunday. Visits must begin 45 minutes prior to the end of visiting hours. Visits may last up to 3 hours during weekdays and up to 2 hours during weekends and holidays. Visiting holidays include New Year's Day, Martin Luther King Day, Memorial Day, July 4, Labor Day, Thanksgiving Day, Christmas Eve, Christmas Day and New Year's Eve.

Inmates are permitted three visits per week, but only **one** may be on a weekend. Inmates may have two different visits on the same weekday if they involve different visitors. Visitors can join a visit for the time remaining on a visit. Visiting time may not be accumulated. After a visitor leaves the institution, he/she will not be allowed to re-join a visit.

All visitors age 16 and older must provide identification. The only acceptable forms of identification are:

- Valid State Driver's License or Temporary Driving/Identification Receipt
- Valid Passport or Visa
- Valid Department of Transportation ID
- Valid Military ID
- Valid Tribal ID (if it provides photo)

All visitors must pass through and clear the metal detector. Visitors will be given three opportunities to successfully clear metal detection. Failure to do so will result in the visitor being denied entrance into the institution. Wire in undergarments and metal in shoes will not clear the metal detector and should not be worn. Be prepared to remove and replace clothing that will not pass the metal detector.

Visitors requiring special accommodations concerning use of a metal detector due to medical issues must submit a completed DOC-2424 to the Security Director before being allowed to visit.

Jewelry other than a wedding band or single ring, watch, single strand necklace and single pair of earrings is not allowed to be worn. These items must be removed to clear the metal detector. Any piercing of the body should be removed if possible. If not possible and the visitor does not clear the metal detector, the visit may be denied.

The following apparel is considered inappropriate and will result in denial of visiting:

- Transparent/translucent clothing

- Shorts that are shorter than fingertip length with the visitor standing with proper posture, arms straight down, fingers extended
- Skirts or dresses shorter than fingertip length plus three inches
- Strapless, tube and halter tops and dresses
- Tops and dresses that expose the midriff (front or back) or bust
- Spandex or spandex-like and Lycra or Lycra-like clothing
- Exposed underwear
- Clothing with revealing holes, tears or slits above fingertip level
- Clothing or accessories with obscene or profane writing, images or pictures
- Gang-related clothing, headwear, shoes, logos or insignias
- Any clothing that may have the potential to cause a disruption
- Camouflage clothing of any type

Footwear must be worn. Coats, jackets and non-religious headwear must be removed before clearing the metal detector. Visitors who have religious headwear that conceals identity are required to allow institution staff to view their face(s) in order to verify identification upon entry and exit of the institution. After identification, the visitor will be permitted to replace the facial covering.

Lockers are provided in the entrance facility for placement of items not allowed in the institution. No food items, keys or paper money may be carried into the institution. A quarter is required to operate the key in the locker. It is recommended that purses and wallets be locked in your vehicle; the institution is not responsible for personal property left in vehicles or institution lockers.

Coins (limit \$15) may be brought into the institution for use in the vending machines available in the visiting area. Inmates may not handle money during visits and are not allowed to go into the vending machine area.

No property can be given to an inmate during a visit. Only the following items are allowed to be brought into the institution:

- Comb, pick or brush
- Two baby blankets
- Four diapers
- Two baby bottles (plastic only)
- Formula must be premixed and in an approved bottle
- Hand-held baby seat
- Diaper wipes in small, sealed travel pack or individually packed in a clear plastic bag
- One pacifier
- One coat
- One pair of gloves
- Headwear (provided it does not conceal identity)
- FLCI locker key
- Prescription medications are permitted such as but not limited to inhalers, nitro pills (only individual pills, not bottles) and epinephrine injectors. Other medications should be taken prior to entering the institution.
- One clear plastic bag to carry personal property

The shift supervisor must approve any other critical items prior to the visitor entering the institution.

Electronic Devices: Unless approved in advance by the Warden, non-DOC visitors are not allowed to enter the institution with any device that takes pictures, has video or voice recording and/or a communications device such

as a cell phone, pager or PDA. If you arrive with one of the devices listed or similar device, you must secure the device in your vehicle.

Visitors who are not on the visiting list and/or are not given access to the visiting room will not be allowed to wait in the entrance facility. While waiting in the parking lot, visitors must remain by their vehicle. Minors under the age of 18 cannot be left unattended in the entrance facility or parking lot. Any minor sent back to the entrance facility or to the car must be accompanied by an adult. Pets or visitors with medical concerns are not to be left unattended in vehicles.

A family atmosphere is stressed in all visiting areas as friends and family are of all ages.

Visits are held outdoors, weather permitting, beginning in May and concluding in September. The shift supervisor will make the decision which type of visiting will be conducted.

The officers will assign seating. Once assigned, seating will not be changed except for unusual circumstances.

Excessive displays of affection are not permitted. You may embrace and kiss only at the beginning and end of each visit.

Talking from table to table or “cross visiting” is not allowed.

All chairs and tables must be left as they were set up and may not be moved unless directed by an officer. Visitors and inmates are to be seated facing the tables. Inmate and visitors will sit across from one another while

seated at the picnic tables. Straddling the benches or sitting on the table tops is not allowed.

Whether visits are outside or inside, parents are responsible for the supervision of their children. Physical disciplining of children is forbidden at all times, and failure to comply with this may result in termination of visiting privileges, disciplinary action, and/or referral to social service agencies. Visits may be terminated due to unruly children or lack of supervision of children by the inmate and/or the adult visitors.

Visitors are to use the restroom on the west side of the administration building. Inmates will use the restroom on the east side of the building.

SEGREGATION **NO CONTACT VISITING**

Visiting Hours

| | |
|---------------------------|------------------------------|
| 2:30 pm – 5:30 pm | Mon-Friday |
| 8:00 am – 11:00 am | Sat/Sun/ Holidays |

Segregation visits will be restricted to a maximum of two visitors during a visit. No one under the age of 18 may visit without prior approval from the Security Director.

Inmates in segregated status may receive no more than three visits per week.

Inmates in segregated status will be allowed to visit a maximum of two hours at one time, unless further restricted by the Administrative Code, as outlined below:

- Temporary Lock Up – 1 hour per weekday and 1 hour per weekend

- Observation – 1 hour per week, with the Warden’s approval
- Voluntary Confinement – 2 hours per month the first 200 days; 4 hours per month thereafter
- Adjustment Segregation – 1 hour per week, following standards in program segregation status
- Program Segregation/Disciplinary Separation - 4 hours per month
- Visits must be taken in 1-hour increments
- Administrative Confinement – three 2-hour visits per month
- Controlled Segregation – none
- Cell Confinement – none

Inmates on no-contact visit restriction in general population status will be entitled to a maximum of 9 hours visiting time per week, under the same guidelines as regular visits.

Visits to inmates in segregation status may be limited or terminated if the Security Director or designee determines that the conduct of the inmate or visitor poses a security threat to the institution.

No more than three no-contact visits can be accommodated at one time; therefore, length of visits may need to be adjusted based on availability of visiting space. If it is necessary to terminate a no-contact visit due to overcrowding, the visitors who arrived first will be terminated first.
